PROFILE

Blasting off a new career in web development after eleven years in hospitality, I am excited and passionate about UX/UI design and front-end development. I am professional, communicative, and punctual. I look forward to working with a team of like-minded, passionate developers ready to meet goals together.

PROFESSIONAL EXPERIENCE

Independent Contractor June 2012 to July 2019

Events and Catering Management

Collaborated with corporate partners to establish lasting relationships and develop individual contracts. Oversaw development and maintenance of quality lead database. Planned budgets, menus, catering, decorations, and additional services for private events.

Compass Group February 2010 to June 2012

Catering and Events Coordinator

Led teams of 4+ staff for setup, catering, and tear-down of executive events. Negotiated client contracts, billing, and scheduling of catering and corporate events.

Magnolia Grill, Women's Club, July 2008 to February 2010
Vivace, Food Matters, Rustico

Professional Chef

Simutronics Corporation June 2006 to June 2008

Marketing and Events Manager

Planned and executed major industry trade show campaigns and physical booths for numerous annual events hosting more than 20K attendees. Scheduled key logistics, including travel, lodging, dining, and social events for both on-site and off-site meetings for executives and trade show team members. Served as point of contact for booth reception and networking opportunities. Oversaw analysis of corporate Salesforce metrics and consistent lead tracking

Israel Bonds June 2005 to June 2006

Events Administrator

Engaged in regular correspondence with Diplomats, Congressmen, and Senators for philanthropic events. Oversaw CRM database of client and donor information, identifying spending and holdings. Coordinated numerous events, ranging from large formal galas to intimate luncheons.
